### **A PRAYER FOR MOTHERS**

All-loving God,  
we give you thanks and praise  
for mothers young and old.

We pray for young mothers, who give life and count toes and tend to our every need; May they be blessed with patience and tenderness to care for their families and themselves with great joy.

We pray for our own mothers who have nurtured and cared for us; May they continue to guide in strong and gentle ways.

We remember mothers who are separated from their children because of war, poverty, or conflict; May they feel the loving embrace of our God who wipes every tear away.

We pray for women who are not mothers but still love and shape us with motherly care and compassion.

We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love.

Amen

### **MEAN MOMS**

#### ***I loved you enough ~***

Someday when her children are old enough to understand the logic that motivates a parent, she will tell them:

***I loved you enough...***to ask where you were going, with whom, and what time you would be home.

***I love you enough...***to insist that you save your money and buy a bike for yourself even though we could afford to buy one for you.

***I loved you enough...***to be silent and let you discover that your new best friend was a creep.

***I loved you enough...***to make you go pay for the bubble gum you had taken and tell the clerk, "I stole this yesterday and want to pay for it."

***I loved you enough...***to stand over you for two hours while you cleaned your room, a job that should have taken 15 minutes.

***I loved you enough...***to let you see anger, disappointment, and tears in my eyes. Children must learn that their parents aren't perfect.

***I loved you enough...***to let you assume the responsibility for your actions even when the penalties were so harsh they almost broke my heart.

***But most of all, I loved you enough...***to say NO when I knew you would hate me for it.

Nuestra sociedad, nos dicen los psicólogos sociales, es una sociedad predominantemente matriarcal, o sea, una sociedad en la que la madre es el centro de atención y el eje alrededor del cual gira toda nuestra actividad humana. El hombre hispano sabe bien cómo su propia madre es venerada y honrada pues representa la sede de la vida. Ella es quien la engendra, la nutre y la adelanta de manera excepcional. La mujer madre, dotada por Dios, es la que teje cohesión y unidad en la familia.

Es por tanto paradójico que también haya en nuestra cultura una presencia prevalente de toda una serie de actitudes que llamamos machismo, que perjudican mucho a tanto mujeres como hombres.

Los hombres hispanos probablemente son conscientes de que el machismo está siendo muy criticado. Comprender los comportamientos machistas y sus raíces puede abrir el camino a la liberación, tanto de la mujer como del hombre. Los hombres hispanos han experimentado a menudo cómo nuestras madres siempre han estado de nuestro lado. Nuestra madre hispana se gana el título de campeona pues con consistencia inexplicable sabe salir victoriosa en la adversidad. Da muestras de superioridad en términos de aguante y destreza. Es campeona cuando le toca buscar medios y maneras de defender a los suyos. Es ella quien da la cara cuando sus hijos tienen dificultades y problemas.

Es en esta sociedad matriarcal nuestra donde la propia madre de Dios ocupa un sitio de preferencia. No hay que saber mucha doctrina, ni necesariamente estar relacionado con la iglesia institucional, para ser devoto de la Virgen María. María, la Madre de Dios, es la Madre por excelencia de nuestro pueblo hispano.

En una sociedad matriarcal, el hombre asume roles y funciones que, de manera dramática, tratan de hacer resaltar su hombría, como queriendo compensar el hecho innegable de que la mujer es el centro de toda atención y actividad. De ahí el doloroso comportamiento machista, que tanto perjudica a nuestra cultura hispana. Es el hombre machista el que releja grandes problemas de identidad cuando actúa con empeño de demostrar que él es más que los demás.

Una persona machista exhibe un comportamiento brusco, bruto e inconsiderado. Se manifiesta y expresa con ciertos aires de superioridad. El macho no depende de nada ni de nadie; se puede valer por sí solo. Tal es su autosuficiencia, que la propia relación con Dios o con cualquier figura en el campo de lo espiritual es innecesaria. La cultura machista considera que la experiencia religiosa está muy atada a los sentimientos. El dejarse dominar o controlar por los sentimientos es para el macho algo intolerable. Se juzga como una debilidad. Así también como resultado, se juzga la experiencia religiosa y todo lo que tenga que ver con la vida espiritual. Curas, sacramentos, todo eso es santo y bueno, pero para mujeres, niños y viejos, no para él. No es que él no sea creyente, pero "no me gusta el fanatismo", dice. Él es de los que van al templo y se quedan en la parte de atrás, de pie siempre, por aquello de no tener que humildemente doblar la rodilla en actitud de sumisión.

Pero, ¡no hay hombres machistas sin mujeres! Y entre más macho quiere ser el hombre, más depende de la mujer. Para saber más sobre la otra cara del machismo, descargue el archivo completo en: <http://www.hispanic-ministry.com/national-resources/el-momento-catolico-online>.
