Mass times will change July 2/3. Last year showed that in June there is not a need for an additional Mass. Memorial Day weekend is busy yet I believe we'll fit in everybody. The weekend after Labor Day we'll switch back to our current Mass schedule. Please see column 1 for our summertime schedule. Thank you for your understanding.

On Mother's Day, we remember the things our mamas taught us. They were not only the voices in our heads, but around the kitchen table, the living room, just about everywhere. I recently read one person's compilation and thought you'd enjoy it—perhaps even relate to a few .

- My mama taught me to appreciate a job well done: “If you're going to kill each other, do it outside; I just finished cleaning.”
- My mama taught me religion: “You better pray that will come out of the carpet.”
- My mama taught me time travel: “If you don't straighten up, I'm going to knock you into the middle of next week.”
- My mama taught me logic: “Because I said so, that's why.”
- My mama taught me irony: “Keep laughing and I'll give you something to cry about.”
- My mama taught me osmosis: “Shut your mouth and eat your supper!”
- My mama taught me contortionism: “Will you look at the dirt on the back of your neck!”
- My mama taught me stamina: “You'll sit there 'till all that spinach is finished.”
- My mama taught me about weather: “It looks as if a tornado swept through your room.”
- My mama taught me about the circle of life: “I brought you into this world and I can take you out.”
- My mama taught me about behavior modification: “Stop acting like your father!”
- My mama taught me genetics: “You are just like your father!”
- My mama taught me about envy. “There are millions of less fortunate children in this world who don't have wonderful parents like you do.”
- My mama taught me anticipation: “Just wait until your father gets home.”
- My mama taught me wisdom: “When you get to be my age, you'll understand.”

Blessings to all our mothers—those still with us and those gone on ahead.

Happy Mother's Day, Fr. Tom

To be a mother is a great treasure. Mothers, in their unconditional and sacrificial love for their children, are the antidote to individualism; they are the greatest enemies against war.

Pope Francis

Creación de las Madres

Dios que estaba ocupado en crear a las madres, llevaba ya seis días trabajando horas extraordinarias, cuando un ángel se le presentó y le dijo: “Te afanas demasiado Señor.” El Señor respondió: pero no te das cuenta que esta criatura tiene que ser lavable de pies a cabeza, sin ser plástico y que tiene que llevar cien piezas movibles, todas reemplazables funcionar a base de café negro y de las sobras de comida, que tiene que poseer un regazo capaz de desaparecer cuando se ponga de pie, un beso capaz de curar todo, desde una pierna rota hasta un amor frustrado y tener seis pares de manos.

Y el ángel confundido observó: ¿Seis pares de manos Señor? ¡Eso no es posible! No son las manos el problema, agrego el Señor, si no los tres pares de ojos. ¿Y eso es para el modelo normal? Preguntó el ángel. Y el Señor le explicó:

Uno para ver través de la puerta siempre que pregunte ¿niños, que están haciendo ahí adentro? Aunque ya lo sepa muy bien; otro detrás de la cabeza para ver lo que más le valiera ignorar, pero que precisa saber; y desde luego los de adelante, para mirar a un niño en apuros y decirle, sin pronunciar siquiera una palabra: “Te entiendo hijo y te quiero mucho.” El ángel le tiró de la manga y advirtió mansamente: vale más que te vayas a la cama Señor, mañana será otro día.

No puedo, y además creo que me falta poco, dijo el Señor agregando: Ya hice una que se cura por si sola cuando enferma; que es capaz de alimentar a una familia con un poco de frijol y de persuadir a un niño de cuatro años que se esté quieto mientras lo baña. Lentamente, el ángel dio la vuelta en torno a uno de los modelos maternos diciendo: me parece demasiado delicada, comentó con un suspiro.

Pero es muy resistente aseguró Dios emocionado, no tienes idea de lo que es capaz de hacer y sobrellevar. ¿Podrá pensar? Preguntó el ángel. Claro, y razonar también, respondió el Señor.

Por ultimo el ángel se inclinó y pasó un dedo por la mejilla del modelo, diciendo: ¡Tiene una fuga! Y dijo Dios: no es una fuga, es una lágrima.

¿Y... para que sirve? Dijo el ángel.

Para expresar gozo, aflicción, desengaño, pesadumbre, soledad y orgullo. Eres un genio Señor, comentó el ángel. Y Dios, con perfil de tristeza observó y dijo: “yo no se la puse.”

Feliz Día de las Madres

COMIDA COMPARTIR: Sabado, 14 de mayo, 6:00 pm a OLF. Todos son bienvenidos.
